- **Literature review** led by Kristiina Kumpulainen

Online review of literature to end 2015 to be published online  
September 2017;

Updated and more theorised version for Handbook chapter

Post meeting note: The draft literature review was completed  
in September and will be published online as soon as an ISBN  
number is obtained.

- **Tips and Tricks** research project led by Nicoletta Vittadini & Donnell Holloway – meeting led by Nicoletta Vittadini
- The group is working on the identification of best practices and dissemination for parents to enable them to be confident co-participants in their children’s digital lives. The group has produced a large database populated by findings.

- **Tips and Tricks** research project

After Nicoletta Vittadini's overall presentation on progress, presentations were given by representatives from Latvia, Belgium, Portugal, Switzerland, Bulgaria and Denmark. This team is working towards a journal special issue and is also liaising with Brian O'Neill and Anca Velicu on developing a public campaign for parents.
